

## Year 5 Autumn 1 Homework Project

We would like to invite you to create a project about one of our topics from this half term and bring it into school on Monday 23<sup>rd</sup> October to show your classmates!

You could create a PowerPoint presentation, an interactive poster or even a comic strip! It is completely your choice how you decide to present your learning.

Some ideas:

- Carry out your own scientific investigation into one of the forces and present your findings to the class
- Create a PowerPoint presentation all about life in Britain when the Anglo-Saxons ruled
- Create your own interpretation of The Great Wave
- Make a 'How to...' guide all about reading Roman numerals.

This half term, we are learning about...

- Forces (gravity, friction, air resistance and water resistance)
- The Anglo-Saxons and Scots in History
- The Great Wave by our focus artist, Hokusai
- Roman numerals

1	I	11	XI	50	L
2	II	12	XII	100	C
3	III	13	XIII	500	D
4	IV	14	XIV	1000	M
5	V	15	XV		
6	VI	16	XVI		
7	VII	17	XVII		
8	VIII	18	XVIII		
9	IX	19	XIX		
10	X	20	XX
