

Autumn 2 Homework Project – Victorious!

During this term, create a project about one of our topics from this half term and bring it into school on **Monday 18th December** to show your classmates!

In Year 6, we love to fill our corridor with a display for each half term's projects. Therefore, please create a Year 6 standard poster, piece of artwork, or anything you think may be suitable for us to put onto our display. Please note, we will **not** be sharing PowerPoints.

Ideas for what you could do include:

- Research an aspect of Victorian Life that interests you e.g. housing, sports, schooling
- Write about our trip to the Black Country Living Museum
- Creating a poster about different software used on a computer
- Researching the topic of Electricity and why it is so important to us.
- Research a famous chef and cook one of their dishes.
